

kanopy

On-demand film screening is here at **South Burlington Public Library!** Choose from over 30,000 films including award-winning documentaries, rare and hard-to-find titles, film festival favorites, indie and classic films, and world cinema!

What do I need to get started?

- A *resident* library card from South Burlington Public Library
- iOS9+ devices, Android devices, Amazon Fire tablet, Apple TV & Airplay, Roku, Telstra TV, Chromecast, HDMI cable and/or a Desktop or Laptop computer

To preview the collection and create an account go our website at **sburlcomlib.com** and scroll down to Kanopy and click/tap.

For more support go to **help.kanopy.com** or read on!

(802) 846-4140

sbplinfo@southburlingtonvt.gov

Let's get started! Create an account.

1. Go to **sburlcomlib.com**. Scroll down to the Kanopy logo  and click/tap it to go to our Kanopy website.
2. Now select **sign up for an account**.
3. Create your Kanopy account.
4. It will prompt you to verify your email address by going to your email account.
5. Within your email, verify your email address. It will direct you back to Kanopy and prompt you to add your 14 digit library card number.
6. You're done!

You will need to *create an account first* before installing the Kanopy Apps to your devices. You do not need the Kanopy App to watch films, though it might enhance your experience of Kanopy on certain devices. For specific device instruction go **help.kanopy.com** or **ask a Librarian!**
