

Get books on your Nook from your computer and transfer with a USB

1. On your computer, go to **listenupvermont.org**.
2. Select the **Adobe Digital Editions** link on the right sidebar.
3. Click **Download Adobe Digital Editions** and a new website will open. It is a secure site, but unaffiliated with South Burlington Community Library.
4. Select **Download Now** and follow the prompts to download the software.
5. Follow installation instructions and prompts if you need to create an Adobe account.
6. Attach your Nook to your computer via USB port.
7. Open Adobe Digital Editions on your desktop to authorize your Nook.
8. Return to the Listen Up! Vermont website, select **Sign in** on the menu at the top of the page.
9. Select **South Burlington Community Library** from the list and enter your 14-digit library card number on the next page.
10. Browse or search for eBook and/or audiobook titles. EPUB and PDF are compatible formats with your device.

Librarian Search Tips:

Titles that say **Add to Basket** are available immediately. Titles that say **Join Waiting List** are checked out. If you join the waiting list you will receive an email when the title is available. You can limit your search to titles **Available Now**.

11. Once you have chosen an available title, select **Add to Basket**. You may **Continue Browsing** to add up to 2 more titles.
12. With your selection(s) in your basket, select **Proceed to Checkout**.
13. Choose a 7- or 14-day lending period. Click **Confirm Checkout**.
14. Click **Download**.
15. When prompted, click **OK** to open with Adobe Digital Editions.
16. In Adobe Digital Editions with your Nook still connected, click on the **Library View** icon. Drag the book to the **Nook** icon. The book will now be available on your Nook.
17. Eject Nook and remove USB cable.

Accessing library book on the Nook:

1. From the **Menu**, select **Library**, and choose **My Files**.
2. Locate downloaded books in **Digital Editions** folder. If title it is not there, restart your Nook.
